

JULY 2023 UPDATE

Dear Brothers & Sisters in Christ,

Whew! Not sure if that's the right word that would sum up this summer, but it has been hot and hectic. Sorry to be a few days late in sending out this update, but some days it seems hard to get our heads above water. So thankful, that no matter how deep the waters are, we're always standing on a Rock such that we're never overtaken. All glory is due the wonderful name of Jesus!

UPDATES & UPCOMING

- **Haiti Update**- Glimmers of hope? I spoke this past week with some pastors, and there does seem to be light at the end of the proverbial tunnel. 4 major gangs in City Soleil have brokered a peace accord (many more to go), and it appears elections are imminent, although no dates have been set. If the Haitian people can govern themselves out of this crisis, this is far better than an international 'peace' force that will only further their oppression. On the dark side, there is still gang wars raging in Port au Prince, & news this past week of an American nurse & her daughter kidnapped while doing medical work in PAP. Please pray!
- **ABC**- Ayiti (Haiti) Baptist College is now getting classes uploaded & ready for students. This involves the daily work of preparing teachers notes, student notes, syllabus', quizzes & exams as well as links and uploads to student resources. All of this is being done in Moodle, & I'm growing much more proficient with each lesson that is done. It is still a bottleneck of time, but I believe it will prove to be a wonderful benefit as the years go on to have all of this done & available to any student anywhere in the world.
- **WWW.RBMABC.COM** – Red Barn Missions & Ayiti Baptist College are now officially on-line, please see our web-page for information about the ministry & college.
- **Dominican Republic**—Please pray as I coordinate with 30-40 Haitian pastors in the DR about pastor's conferences, evangelistic outreaches, & college prospects. If the Lord allows, I will be travelling there soon.

PRAYER REQUESTS

- **Praise:** We have sought the Lord privately in prayer regarding certain unexpected financials expenses. The Lord heard, & has answered thru many of you who have sent above & beyond monthly support. Thank you for being sensitive to the Lord's leading in this area.
