

OCTOBER 2023 UPDATE

Dear Brothers & Sisters in Christ,

Fall is upon us, with all its beauty & change, & we thank the Lord for all of it. I am grateful that some of the business of summer is over, but with every change comes challenges to embrace & endeavor to meet for the glory of God. We thank the Lord for each of you, & are in constant need to the prayers of God's saints.

UPDATES & UPCOMING

- **Haiti Update**- Two positive events have transpired since our last letter. Last week the main suspect in the assassination of the president was arrested. This proves, to some extent, that the police in Haiti are operating as they should. Secondly, the UN formerly voted to have the Kenyan's lead a security force into Haiti to secure certain areas of the capital. Although they have not yet deployed, please pray that this will lead to peace in the capital & relief for the Haitian people.
- **Dominican Republic**—I was able to travel to the DR in September to meet with 14 Haitian pastors to discuss the advancement of the college & church planting works in the DR & Haiti. This was somewhat of a survey trip, which proved to be very fruitful. Please pray as this is possibly opening new doors for translation & student enrollment. The conditions of much of the DR is not very different from Haiti (for the Haitians), but does not have the current political turmoil & dangers of kidnapping.
- **ABC**- Ayiti (Haiti) Baptist College is still the primary focus of my labors, with lesson development, video editing, & compiling all into our learning management system. Please pray for a clear path in translation of this material. We have had several good options presented recently, but I really need discernment as to the Lord's path.

PRAYER REQUESTS

- **Surgeries**: I have unfortunately injured both of my elbows over the past year which requires both to be operated on. I will be having one in November, another in December. Due to insurance & finances, I need to get this done before end of the year, so they have been planned back to back. Please pray for a quick & full recovery, as I am presently in a lot of pain & inability to labor as I need to.
- Lesson prep & wisdom for the ABC lessons in phase 1.
- For the Haitian people & their government officials
