

APRIL 2024 UPDATE

Dear Brothers & Sisters in Christ,

1Tim. 1:12 *And I thank Christ Jesus our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry;* What a humbling thought, that the Creator & Saviour of the world would use such a lowly creature as I. I am thankful to God & to all who are used by Him to assist us in the ministry God has called us to. Thank you for your faithful prayers and support!

UPDATES & UPCOMING

- **Haiti Update-** With the pending resignation of the Prime Minister, and the formation of a transitional government, there might have been hope for some positive change. But the news just brought on a heightened fervor by the gangs in Port au Prince, where it appears a revolution may be in the near future. Jimmy Cherizier, aka 'Barbecue' is leading the FRG9, a federation of gangs for an 'armed revolution'. This man is a ruthless murderer, thief, arsonist, rapist & kidnapper who has subjected Haitians to unthinkable horrors. Please pray for the millions in Haiti suffering under these gangs, & subsequently living in fear & starvation due to the dangers of any public travel.
- **Dominican Republic**—I was praying specifically for a pastor in the DR who I felt the Lord had led me to that we could use as a contact & translator for ABC. I had not had 1-on-1 contact with him, but that day the Lord answered & he reached out to me to see if I could come to his church & preach. I will back in the DR next month with him, please pray the Lord will make clear the plans He intends.
- **Other & ABC-** Due to the size of my previous office, recording with ABC was quite difficult. During my surgery recovery, we fixed up a larger space in our former 'well house', & it is now complete & is a great space to study & record with more room & greater isolation from noise. We have a constant flow of preaching appointments, work with our home church, & upcoming conferences & tent meetings. I am thankful to always be busy & used by God.

PRAYER REQUESTS

- Thankful for 90% recovery after surgery, each day is better, although I have to limit my time on computer (ABC)
- For the Haitian people & their government officials
- Specifically for Pastor Lucien, & wisdom for both of us as we seek the Lord's will in partnering in the DR. We earnestly desire to fulfill 2Tim. 2:2 in finding faithful men that we can commit Bible teaching to.
