JANUARY 2025 UPDATE

Dear Brothers & Sisters in Christ,

We have started off 2025 with serious reflection on the past year & earnest prayers to our Lord for guidance in the coming. I am always humbled that God can use us at all but am also burdened to do much more as the days draw to close. Your prayers & support are always a source of thanksgiving to God, as He uses you to help us to help others. Thank you!

UPDATES & UPCOMING

- **Dominican Republic**—I have been spending time in both Santo Domingo & Sabana de la Mar, working to build relationships, preaching the Gospel, conferences, & much more 1 on 1 discipleship & evangelism than before. I had a very good conference with Pastor Lucien Delice's church in SD, & was able to teach many of our principles of discipleship to the 12-14 pastors associated in the Santo Domingo area. I have been spending time in personal witnessing in Sabana with Montezuma & his daughter Zumi. This is opening doors for an **open air, public park event to distribute Bibles & preach**. Please pray this will result in a church planted in this town.
- **ABC**- Students are now enrolling & taking classes, & they have been very blessed so far by the teaching. Work still continues as we add/build classes.
- **F4**- This is a discipleship class we are teaching each week, & translating for use in the Dominican & hopefully in Haiti soon. It has been incredible to see what the Lord has done in the few months we have been teaching.
- **NEEDS**—We are working with Mt. Pisgah Printing & Direct Line Ministries to ship 2 pallets of scriptures to the DR. **We need ~\$3200 to complete** this for the canvassing & open air event in Sabana. Please pray & give as you're led.

PRAYER REQUESTS

- For the Haitian people & their government officials
- Pastors in the DR who are faithfully serving for the Gospel's sake.
- Evangelist Dilrold Silenceux & his family, who was recently ordained as a missionary to Mexico, sent out of the DR.
- Shipping funds for the scripture to the DR, & for the right team to be assembled to reach Sabana w/ the Gospel!
- Our F4 groups as they grow personally & then put 2Tim. 2:2 into practice. We already have 4 groups, possibly 5 soon using this teaching to reach saved & lost alike. Please pray for God's continued blessing on these efforts.
