

## OCTOBER 2025 UPDATE

Dear Brothers & Sisters in Christ,

Greetings to all of our prayer partners. Sorry to be a bit late in the month for this update, but I was waiting on some pieces of the puzzle to fall in place before sharing some upcoming opportunities. Thank you for taking time to read this letter, and to pray for us as we press on towards the mark!

## UPDATES & UPCOMING

- **Haiti**- The situation in Haiti remains dire, as the gangs are still reeking havoc on the population there. Nearly 6 million are now listed as facing acute starvation, with very little assistance able to be provided. On Sept 30, the UN did vote to increase a Gang Suppression Force to 5500 troops, but as of today, no increase from member nations has actually been realized. Only God can help, please pray
- **Dominican Republic**—We have been in constant contact with many of both our Haitian & Dominican contacts. This has included an unusual need for direct support to many different areas this past few months. I will be (Lord willing) in Santo Domingo, Puerto Plata, & Sabana with much work to follow up on. Pastor Lucian & his wife are due to have their 1<sup>st</sup> son in early December, prayers for them would be appreciated. DirectLine Ministries has just shipped 2 pallets of Christ-mas Joy Bags, and we will hopefully be distributing over 800 of these in various areas & churches in December.
- **F4**- Many groups are still meeting, and we are active in assisting them & doing Bible Tents in various cities. We are seeing a need for a new group in our area, please pray the Lord leads us in this & provides right people & time.
- **RBM/ABC**— We were able to procure a great box trailer for the ministry this summer. Although the need was only expressed to the Lord, many of you unknowingly were led to give extra, which allowed us to purchase—Keep praying, and keep listening! We are trusting God to supply!

## PRAYER REQUESTS

- Our daughter Marissa (& husband Jake)—She is currently 20 weeks pregnant. Pray for her & the babies health.
- The Lord's leadership in the many opportunities in the next 2 months, especially coordination of the shipping.
- Upcoming travel, many things are still in the air & I simply need the Lord to open doors & supply the resources.
